

International research and practice conference
**Usage Aspects of Alternative and Renewable
Energy Sources in Ukraine
(REU 2014)**

INVITATION

Ukraine, The Autonomous Republic of Crimea,
Sudak, 08-12 September 2014

**Council of Ministers of the Autonomous Republic of Crimea
Ministry of regional development, Construction and housing
and communal services of Ukraine
Ministry of environment and mineral resources of Ukraine
State Service of Geology and Mineral Resources of Ukraine
Government agency as to science, innovation and informatization of Ukraine
Ukrainian State Geological Research Institute
All-Ukrainian Public Organization "NOOSPHERE"**

Dear colleagues,

We have pleasure to invite you to participate in **International research and practice conference "Usage Aspects of Alternative and Renewable Energy Sources in Ukraine (REU 2014)"**, which is held **Ukrainian State Geological Research Institute (UkrSGRI)**.

Conference will be held in t. Sudak (AR Crimea, Ukraine) on the venue of Tourist Health Complex "Sudak" **from September 8 to 12, 2014.**

International research and practice conference "Usage Aspects of Alternative and Renewable Energy Sources in Ukraine (REU 2014)" – it is a discussion on geology problems, exploration and production techniques of alternative fossil fuels, development of renewable energy sources in Ukraine. It is an opportunity for scientific discussions, topical workshops and presentations. It is an expansion of business relations, opportunity to meet potential business partners, as well as new knowledge, ideas and ability to implement them.

Subject of the conference

1. Government policy, regulation and measures to promote and support the development of renewable energy in Ukraine. Foreign experience.
2. Searching aspects, exploration and development of shale gas and earth oil.
3. Coalbed methane. Geologic features. Economic aspects.

4. Gas hydrates. Expansion, production and resources. Global experience.
5. Geothermal resources in Ukraine. Condition their Usage.
6. Solar emission energy, wind, water and biomass. Theoretical questions and practical results of use in Ukraine.
7. Energy of future. Hypothesis. Areas of research or design and experimental elaborations.
8. Market of outfit for renewable energy projects and aspects it development. Work features of engineering companies with usage equipment of foreign manufacturers.
9. Modern international and local marketing of alternative and renewable energy.
10. Environmental problems of alternative energy.

I m p o r t a n t d a t e s

December 03, 2013. Publication of Information about the conference.

February 03, 2014. Official announcement about conference: First invitation.

May 29, 2014. Deadline for application and abstract submission.

May 30, 2014. Mailout of the Second invitation with information and an updated program.

June 20, 2014. The end of early registration.

September 08, 2014. Registration on site is open.

September 09, 2014. Opening Ceremony.

September 11, 2014. Excursion.

September 12, 2014. End of conference.

V e n u e

Conference will be held on the venue of Tourist Health Complex “[Sudak](http://toksudak.crimea.com)” (98000, Ukraine, AR Crimea, t. Sudak, st. Lenina, 89), <http://toksudak.crimea.com>.

The [cost of accommodation](#) to get three meals per day is not included into registration fee and varies from 365 to 990 UAH per day depending of the comfort level you prefer.

R e g i s t r a t i o n

To apply for participation as a presenter you should fill submit your [Registration form](#) and submit **by May 29, 2014** to email confreu@mail.ru.

[Registration form](#) from potential attendees and accompanying persons are due **by June 20, 2014**.

R e q u i r e m e n t t o a b s t r a c t s s u b m i s s i o n

Please send the abstract of you paper to email confreu@mail.ru as a single file in PDF format (not exceeding 10 Mb in size). Use [Template](#) for abstracts plus due requirements. We accept 2 abstracts from one author as a maximum. Editing and printing out of the abstracts are not

envisaged. Submitted abstracts will be reviewed and selected by the Organizing Committee to be included into the technical program and publish.

Deadline for abstract submission is May 29, 2014.

C o n f e r e n c e m a t e r i a l s

A book of abstracts will be presented at the registration desk at the conference. Reports containing new ideas and previously unpublished research results will be published in scientific papers UkrSGRI for 2014 by the decision of the Organizing Committee.

S o c i a l p r o g r a m

Planned bus and walking tour of one of the renewable energy facilities located on the territory of Crimea.

R e g i s t r a t i o n f e e

Includes participation in the scientific sessions, opening and closing events of the conference, a set of materials, participation in thematic tours and is 350 USD for participants. After receiving the completed application by the Organizing Committee for the conference you will receive a contract and invoice. The payment is accepted by bank transfer.

S p o n s o r s h i p

The budget of «**REU 2014**» conference is based on registration fees paid by participants. The Organizing Committee of «**REU 2014**» is kindly inviting geophysical and geological organizations, oil and service companies to become a Sponsor of the conference. The name of Sponsor Company and its logo will be placed on all printed and electronic material related to the conference. Promotional materials of our Sponsors will be handouts set given to all participants of «**REU 2014**».
