

Sample report

**Title of report**

*A. B. Ivanov<sup>1</sup>, V. G. Petrov<sup>2</sup>*

<sup>1</sup>IG Komi SC UB RAS, Syktyvkar; e-mail.

<sup>2</sup>SPSU, Saint-Petersburg; e-mail

The title of reports, authors' surnames, title of organization are centered. The contributor's family name is underlined. The volume of the manuscript is no more than 2 A4 pages (including tables and pictures) with margins 2 cm from all sides. The text should be typed in Microsoft Word (\*.doc, \*.rtf). Font — Times New Roman, size — 12 points. Paragraph indentation for the first line — 1 cm, line spacing — 1.5, alignment — by width, without hyphens. Symbols are from typeset Symbol, formulas are edited in Microsoft Equation. Text and table formatting, insertion and location of pictures is by means of MS Word. All objects should be scaled. References in text are numbered in square brackets [1]. References are given after body text.

Each report should be sent in separate email with attached files. The files should be named by contributor's surname, a digit is added to the surname if necessary. The folder should include: Ivanov1-text.doc – text; Ivanov1-tabl.doc – tables; Ivanov1-pic.doc – captions to pictures; pictures are in files Ivanov1-pic1 and so on. in bitmap or vector formats TIFF (pc), JPEG, EPS, CDR. Pictures in Word and Excel formats only are not subject to submission.

Printed copies should include tables and pictures in the text.

**May 17—20, 2016**

## Dear colleagues!

Institute of Geology of Komi Science center of Russian Academy of sciences, Russian Mineralogical society will conduct on May 17-20, 2016 in Syktyvkar Mineralogical seminar with international participation dedicated to the memory of Academician N. P. Yushkin "Modern problems of theoretical, experimental and applied mineralogy (Yushkin Memorial Seminar-2016) and invite you to take part in it. Information about the conference is here <http://geo.komisc.ru> in the section "News"

### Organizational Committee

Chairman:

A. M. Askhabov, Academician of RAS

Co-chairmen:

Yu. B. Marin, Corresponding Member of RAS

Yu. L. Voytekhovky, DSc. geol.-min

S. V. Krivovichev, DSc. geol.-min.

Deputy chairmen:

V. N. Anfilogov, Corresponding Member of RAS

S. K. Kuznetsov, DSc. geol.-min.

G. N. Lysyuk, PhD geol.-min.

V. S. Shatsky, Corresponding Member of RAS

Science secretaries:

D. V. Kamashev, PhD geol.-min.

N. N. Piskunova, PhD geol.-min.

I. V. Kozyreva, PhD geol.-min.

### ADDRESS

Institute of Geology Komi SC UB RAS  
54, Pervomayskaya street, Syktyvkar,  
Komi Republic, 167982

### Phones:

+7 (8212) 245353 — Director Office

+7 (8212)245698 — Kozyreva Irina Vladimirovna  
(Science Secretary of Institute of Geology)

+7 (8212) 245167, +79091289418 — Piskunova Natalya  
Nikolaevna (Seminar organization committee)

**Fax:** +7 (8212) 240970; 245346

**E-mail:** [min2016@geo.komisc.ru](mailto:min2016@geo.komisc.ru)

## Scientific program

1. *History, philosophy and methods of mineralogy.*
2. *Genetic mineralogy. Typomorphism of minerals and mineral associations. Genetic information mineralogy.*
3. *Mineralogical crystallography and crystal genesis.*
4. *Constitution and features of minerals. Physic of minerals.*
5. *Micro- and nanodisperse state of mineral substance. Nanomineralogy.*
6. *Biom mineralogy. Organic minerals and biomineral interactions. Organic minerals and mineraloids.*
7. *Experimental simulation of mineral formation processes.*
8. *Deposit mineralogy. Topomineralogy.*
9. *Geomaterial science. Rational application of mineral raw.*

### Presentation

1. Reports are to be written in Russian or English according to the rules, described in this letter.

2. Reports should be ready for immediate presentation and submitted to Organizational Committee in printed and digital forms (digital form is necessary). Every participant can submit no more than 2 reports. Submitted materials will be published by the beginning of the seminar.

3. Online registration and submission is on website <http://geo.komisc.ru/min2016reg>

**4. All submitted materials should be authorized for open publishing (printed and digital).**

5. Each contributor can submit no more than two reports as the first author.

6. Reports are plenary (25 minutes), oral (15 minutes) and poster.

7. Contributor can suggest a new section within the program. Inclusion of such a section will be decided by Organizational Committee.

8. Organizational committee reserves the right to exclude materials that are not corresponding to the themes of the conference and presentation rules.

## Deadlines

Report submission	28 March 2016
Program mailing	25 April 2016
Registration of participants	16 May 2016
Seminar Opening	17 May 2016
