

REGISTRATION AND ABSTRACT SUBMISSION

The registration and abstract submission must be performed only via the official conference website

www.minsoc.ru/2015

Steps of registration and abstract submission:

1) Sign in the website www.minsoc.ru/2015 using personal password. To obtain a password every participant must perform the preliminary registration on www.minsoc.ru. **Attention:** a valid email address is necessary to obtain the password.

2) Fill the **registration form** (follow the red link “on-line registration”) on the website www.minsoc.ru/2015 and press the button “Send the data to the Organizing Committee”.

Authors can edit their registration forms until the conference opening date.

3) Fill the abstract submission form and upload the abstract file (follow the red link “Submit new abstract”). The abstract submission may be performed in any time before the abstract submission deadline. If necessary, authors can edit the abstracts and replace the abstract file. All corrections must be completed **until June 22nd, 2015**.

The abstract file must be prepared using the Microsoft Word file format (DOC). Images must be saved as separate JPEG or TIFF files (resolution at least 300 dpi) and combined together with the abstract file in a ZIP or RAR archive. Color images are possible and will be used for the web version of abstracts. The images in the print volume of abstracts will be prepared in black-and-white. Before uploading the abstract file please name it using Latin letters or numbers only, without spaces and any punctuation marks.

Abstracts submitted by Email or Fax will not be accepted.

The Organizing Committee reserves the right to reject submitted abstracts.

XII RMS General Meeting

«Mineralogy in the whole space of this word»

October 13 – 16, 2015, Saint Petersburg, Russia

www.minsoc.ru/2015

First Circular

The XII RMS General Meeting (GM 2015) will be organized in the oldest technical university of Russia, the National Mineral Resources University (founded 1773). Scientific profile of the conferences covers the recent progress in mineralogy, crystallography, petrology, geochemistry and ore deposits study.

GM 2015 SCIENTIFIC SESSIONS

Fundamental problems of modern mineralogy
Mineralogy and geochemistry of strategic mineral deposits
New and scarce types of mineral raw materials (including technogenic deposits)
New achievements and application of mineralogical analysis (including environmental and gemology problems)
Mineralogical crystallography, crystal chemistry and new minerals (Fyodorov Session)
Natural stone in history of culture

Presentation forms: oral presentation (15-20 minutes), poster presentation.

Official languages: Russian and English.

The registration fee will not be raised. The conference materials (Scientific Programme and Proceedings Volume) **will be afforded only to the intramural participants personally registered on the official website of the conference** www.minsoc.ru/2015

CONTACT INFORMATION

Mailing address: National Mineral Resources University (University of Mines)
21st line 2, 199106 Saint Petersburg, Russia
Phone/Fax (voice): +7 (812) 328-86-40
E-mail: 2015@minsoc.ru (information only)
Scientific Secretaries:
Dr. Elena Kotova, Dr. Dmitry Petrov and Dr. Anna Kurguzova.

DEADLINES AND IMPORTANT DATES

22.06.2015 Abstract submission deadline
28.09.2015 Scientific Programme distribution

VENUE / HOST CITY

The conference will be held in the famous building of the Saint Petersburg Mining Institute (built 1806-1811 by the architect Andrey Voronikhin). The Mining Institute is located in the old part of the city, the Vasil'ev Island, on the Neva embankment. The famous museum of the institute is one of the World best mineralogical museums.

City. Saint Petersburg, founded 1703, is world famous as “the culture capital” of Russia with many excellent theatres, concerts, and arts. You should take a few extra days to visit Saint Petersburg museums and historical showplaces.

Public transportation. The central part of the city has good subway system supported by extensive bus, train and car routes.

Weather. The temperature in the second decade of October in Saint Petersburg is from +5 to +10 °C. The humidity is usually high.

VISAS

The participants should check with the Russian Embassy in their own country for details about the latest regulations that apply to them.

ABSTRACT PREPARATION GUIDELINES

TITLE [TIMES NEW ROMAN 12 PPT CAPITALS, CENTERED]
[Empty string]

First Author (e-mail), Second Author (e-mail) [Bold, Centered]

Authors Affiliations [Centered]

[Empty string]

Abstracts body must not exceed two A4 pages with 2.5 cm margins at all sides (paragraph justified with the 1,25 cm left margin of the first row; Times New Roman 12 ppt, without division of words). Tables must be inserted in the text body. Acknowledgments are given in the last string by *italic font*.
