

## REGISTRATION AND ABSTRACT SUBMISSION

The registration and abstract submission must be performed only via the official conference website

[www.minsoc.ru/2009](http://www.minsoc.ru/2009)

Steps of registration and abstract submission:

1) Sign in the website [www.minsoc.ru/2009](http://www.minsoc.ru/2009) using personal password. To obtain a password every participant must perform the preliminary registration on [www.minsoc.ru](http://www.minsoc.ru). **Attention:** a valid email address is necessary to obtain the password.

2) Fill the **registration form** (follow the red link “on-line registration”) on the website [www.minsoc.ru/2009](http://www.minsoc.ru/2009) and press the button “Send the data to the Organizing Committee”.

Authors can edit the date of the registration form until the conference opening date.

3) Fill the abstract submission form and upload the abstract file (follow the red link “Submit new abstract”). The abstract submission may be performed in any time before the abstract submission deadline. If necessary, authors can edit the abstracts and replace the abstract file. All corrections must be completed **until July 1<sup>st</sup>, 2009**.

The abstract file must be saved in MS Word 2003 (or in an earlier version) file format. Images must be saved as separate JPEG or TIFF files (resolution at least 300 dpi) and combined together with the abstract file in a ZIP or RAR archive. The name of the file when uploading it on the conference website must consist of only Latin letters or numbers (without spaces and punctuation marks).

**Abstracts submitted by Email or Fax will not be accepted. The Organizing Committee reserves the right to reject submitted abstracts.**
